The Portuguese conquered the city during the 15th century, but John III later decided to abandon it because of an economic crisis in 1549. In 1692, the town was taken by the Moroccans under the leadership of Moulay Ismail. 1912-56 was part of Spanish Morocco. Asilah served as a base for pirates in the 19th and 20th centuries. A major plan to restore the city was undertaken in 1978. It is now a popular seaside resort and an art city.
